

BC E-Substances Reporting (BCER)

User Guide

Introduction

The [E-Substances Regulation](#) introduced requirements for all businesses who currently sell e-substances or intend to sell e-substances in British Columbia. Business owners must submit a Notice of Intent to Sell E-Substances to the Ministry of Health to sell restricted e-substances from each retail location. There are also requirements to provide individual Product and Manufacturing Reports at least six weeks before the product can be sold.

The Ministry of Health launched the [BC E-Substances Reporting](#) (BCER) application for vapour product retailers on December 16, 2020. Retailers are now required to use the BCER to fulfill their new reporting obligations under the [E-Substances Regulation](#).

This User Guide has been developed to provide retailers with assistance and troubleshooting tips when using BCER.

i If you have submitted your required reports and have waited six weeks before selling, you DO NOT need approval from the Ministry of Health or health authorities once six weeks have passed.

Information Icon

The information icon is included throughout this document to provide additional context.

Browser Requirements

Users must access the database from a desktop computer. The application supports the latest versions of Firefox, Google Chrome, Safari, or Microsoft Edge. **The application is not compatible with Internet Explorer. The BCER is not compatible with mobile devices at this time.**

Access BCER

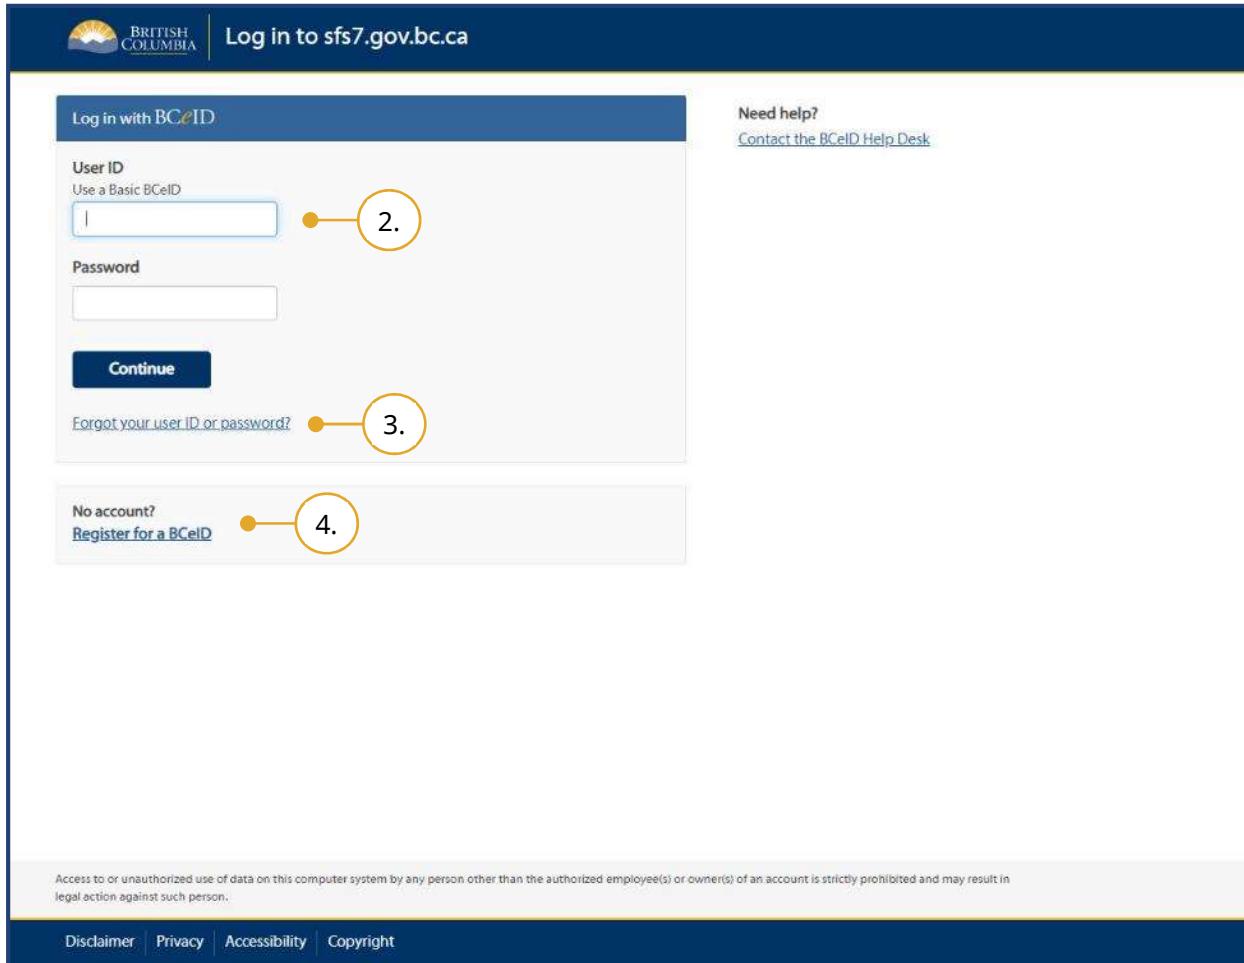

When you access the BCER, this is the first page you will see.

The screenshot shows the landing page of the E-Substances Reporting Application. At the top, there's a dark blue header bar with the text "E-Substances Regulation" and "E-Substances Reporting Application". Below the header, the main content area has a white background. It features a title "E-Substances Reporting Application" in bold. Underneath the title is a paragraph of text explaining the new E-Substances Regulation requirements. At the bottom of this section, there are two lines of contact information: "For technical support, please send an email to vaping.info@gov.bc.ca" and "For questions related to submitting your business details, NOI and product or manufacturing reports, please send an email to vaping.info@gov.bc.ca". Below these, a note reads: "NOTE: Business owners that fail to submit their Notice of Intent and that fail to comply with the new reporting requirements may be subject to offences under the Public Health Act." A horizontal line follows this note. Below the line, a note states: "This application utilizes BCeID for authentication." Two large rectangular buttons are present at the bottom. The top button is labeled "Continue with Basic BCeID" and the bottom one is labeled "Continue with Business BCeID". Both buttons have a small user icon to their left and a right-pointing arrow to their right. A yellow circle with the number "1." is drawn around the "Continue with Basic BCeID" button, indicating the first step in the process.

1. Click **Continue with Basic BCeID**.

You will be forwarded to the BCeID login page.

The screenshot shows the 'Log in to sfs7.gov.bc.ca' page. At the top, there's a 'Log in with BCeID' button. Below it, there are fields for 'User ID' and 'Password', followed by a 'Continue' button. To the right, there's a 'Need help?' section with a link to 'Contact the BCeID Help Desk'. At the bottom left, there's a 'Forgot your user ID or password?' link. At the bottom right, there's a 'No account? Register for a BCeID' link. Four numbered circles with arrows point from the text below to these specific links: 2 points to the 'Forgot your user ID or password?' link, 3 points to the 'Forgot your user ID or password?' link, and 4 points to the 'Register for a BCeID' link.

2. Login with your existing Basic BCeID. Use your BCeID USERNAME to login.
3. If you have forgotten your ID or password, click **Forgot your user ID or password**.
4. To create a new Basic BCeID, click **Register for a BCeID**.

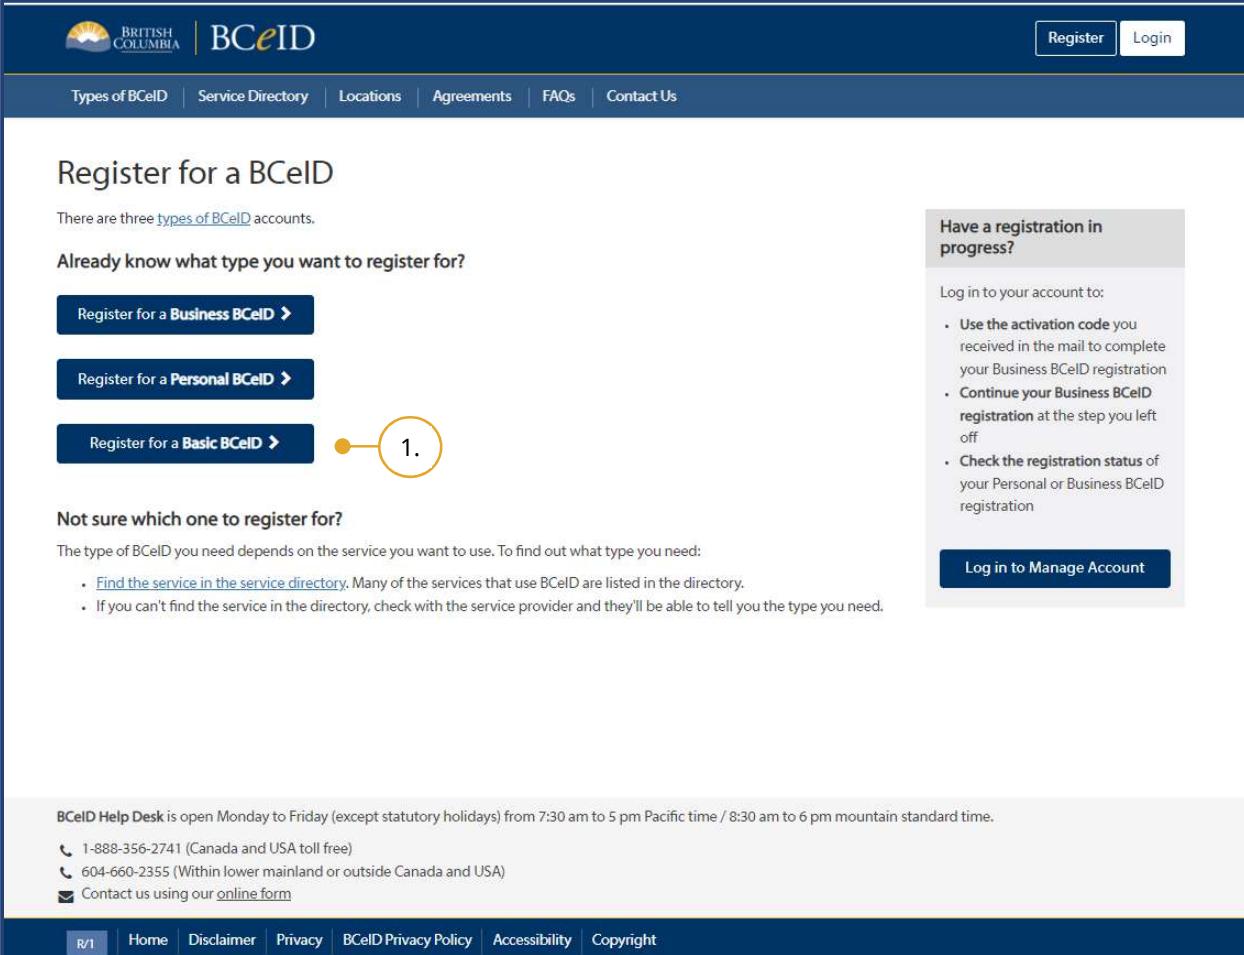

Login and BCeID

Users must have a **Basic BCeID** or a **Business BCeID** to log in.

To create a Basic BCeID or Business BCeID, access the following webpage: <https://www.bceid.ca/register/> (this can be done through the BCER).

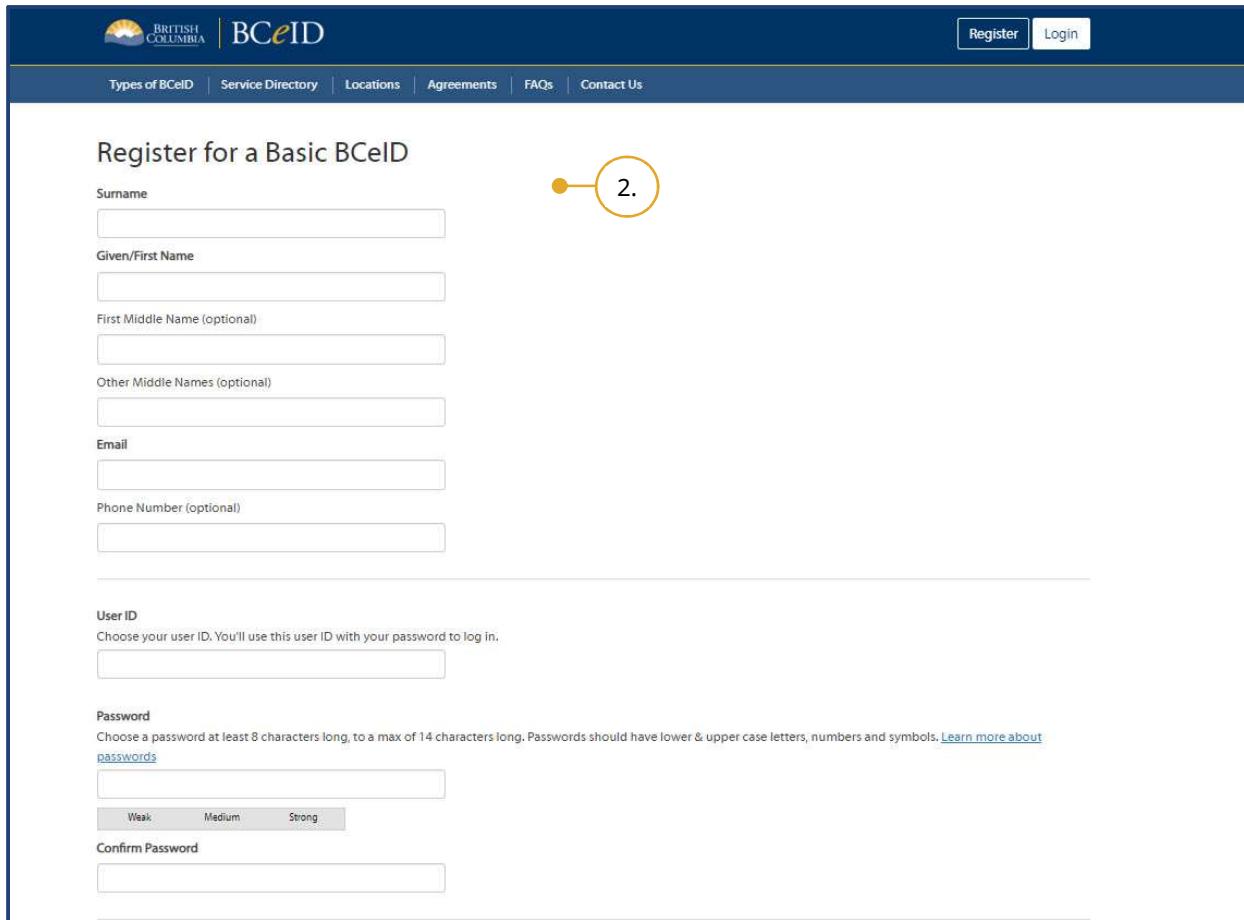

This user guide only shows an example of Basic BCeID creation.

- i The process for creating a Business BCeID is lengthier and will require a proof of identity. [It is the recommended type of account for this application.](#)

The screenshot shows the BCeID registration page. At the top, there are links for 'Types of BCeID', 'Service Directory', 'Locations', 'Agreements', 'FAQs', and 'Contact Us'. On the right, there are 'Register' and 'Login' buttons. The main section is titled 'Register for a BCeID' and contains the following text: 'There are three [types of BCeID accounts](#). Already know what type you want to register for?'. It lists three options: 'Register for a **Business BCeID** >', 'Register for a **Personal BCeID** >', and 'Register for a **Basic BCeID** >'. The third option is circled in yellow and has a yellow arrow pointing to it, labeled '1.'. Below this, under 'Not sure which one to register for?', it says: 'The type of BCeID you need depends on the service you want to use. To find out what type you need:'. It lists two points: 'Find the service in the [service directory](#). Many of the services that use BCeID are listed in the directory.' and 'If you can't find the service in the directory, check with the service provider and they'll be able to tell you the type you need.' To the right, there is a sidebar with 'Have a registration in progress?' and 'Log in to your account to:' followed by a bulleted list: 'Use the activation code you received in the mail to complete your Business BCeID registration', 'Continue your Business BCeID registration at the step you left off', and 'Check the registration status of your Personal or Business BCeID registration'. There is also a 'Log in to Manage Account' button. At the bottom, there is a 'BCeID Help Desk' section with contact information: '1-888-356-2741 (Canada and USA toll free)', '604-660-2355 (Within lower mainland or outside Canada and USA)', and 'Contact us using our [online form](#)'. The footer includes links for 'R/1', 'Home', 'Disclaimer', 'Privacy', 'BCeID Privacy Policy', 'Accessibility', and 'Copyright'.

1. Click Register for a Basic BCeID.

The screenshot shows the 'Register for a Basic BCeID' form. It includes fields for Surname, Given/First Name, First Middle Name (optional), Other Middle Names (optional), Email, Phone Number (optional), and User ID. Below the User ID field is a note: 'Choose your user ID. You'll use this user ID with your password to log in.' A yellow circle with the number '2.' is overlaid on the right side of the page, pointing to the User ID field.

Register for a Basic BCeID

Surname

Given/First Name

First Middle Name (optional)

Other Middle Names (optional)

Email

Phone Number (optional)

User ID
Choose your user ID. You'll use this user ID with your password to log in.

Password
Choose a password at least 8 characters long, to a max of 14 characters long. Passwords should have lower & upper case letters, numbers and symbols. [Learn more about passwords](#) Weak Medium Strong

Confirm Password

1. Create a new BCeID account by visiting <https://bcer.hlth.gov.bc.ca>.
2. Users must enter all the necessary information to complete the BCeID registration.

Once Basic BCeID has been created, log back into <https://bcer.hlth.gov.bc.ca> and follow the steps above.

i Users should write down or save their username and password so as not to forget it.
If you have forgotten your password, click **Forgot your user ID or password?** from the login screen.

i **Do not create a new profile as there is no way to connect it to your existing business profile.**

Navigation

The following section provides information on navigating through the BCER, including important information about the steps that must be followed as well as key buttons and tips to support data entry.

Welcome to E-Substances Reporting Application

As a first-time user of this application, you need to finish the initial setup of your organization. Next time you login, you will not have to complete this step.
If you have already submitted a product and manufacturing report by email to vaping.info@gov.bc.ca, you will have to reupload this into the BCER.

You will see this page the first time you access the BCER.

1. Click **Start**.

Note:

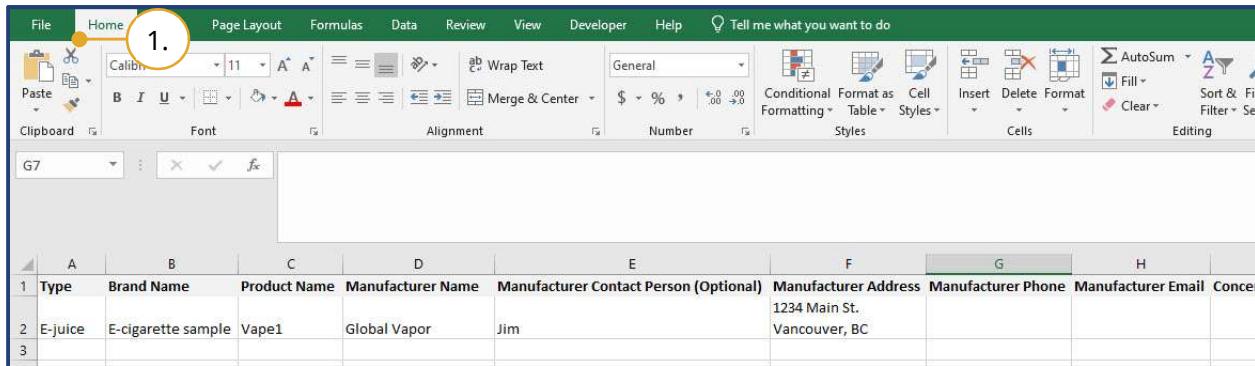

- You can sign out of the BCER at anytime by clicking **Sign Out**.
- The navigation pane along the left will enable you to navigate through the application and includes the reports that you must submit.
- The ⓘ symbol indicates that you have not yet completed a required step. Once a step has been completed, the ⓘ will change to a ✓.

During each step, you will also have the option to download a CSV file of the reports that you have submitted, if needed for your records. This can be done by clicking [Download csv](#) on each table.

 This is NOT required to progress through the application and is only included as an optional step for retailers, for convenience.

Converting Excel Files to CSV Files

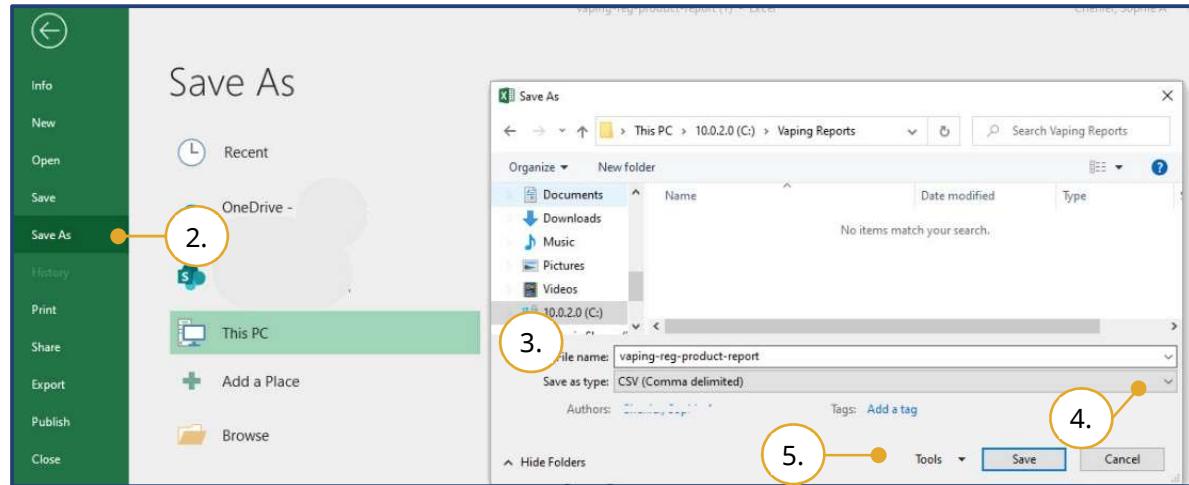

The BCER requires CSV files when uploading information. Only CSV files will be accepted. A CSV file is a plain-text file that supports the transfer of data between applications. Excel files can be converted to CSV files to support data uploads. To convert an Excel file to a CSV file, use the following steps.

Type	Brand Name	Product Name	Manufacturer Name	Manufacturer Contact Person (Optional)	Manufacturer Address	Manufacturer Phone	Manufacturer Email	Concen
E-juice	E-cigarette sample	Vape1	Global Vapor	Jim	1234 Main St. Vancouver, BC			

1. Open the original Excel document. Click **File**.

The screenshot shows an example of a file that is **not** yet in the required CSV format as there are a number of formatting features (text wrapping, borders, colour) that are not be seen in a CSV file.

2. Click **Save As**.
3. Enter the filename.
4. Click the drop-down box below the document name.
Select **CSV (Comma delimited)**
(*.csv) from the dropdown list.
5. Click **Save**.

6. Close and reopen the file to confirm that it has been saved as a CSV.

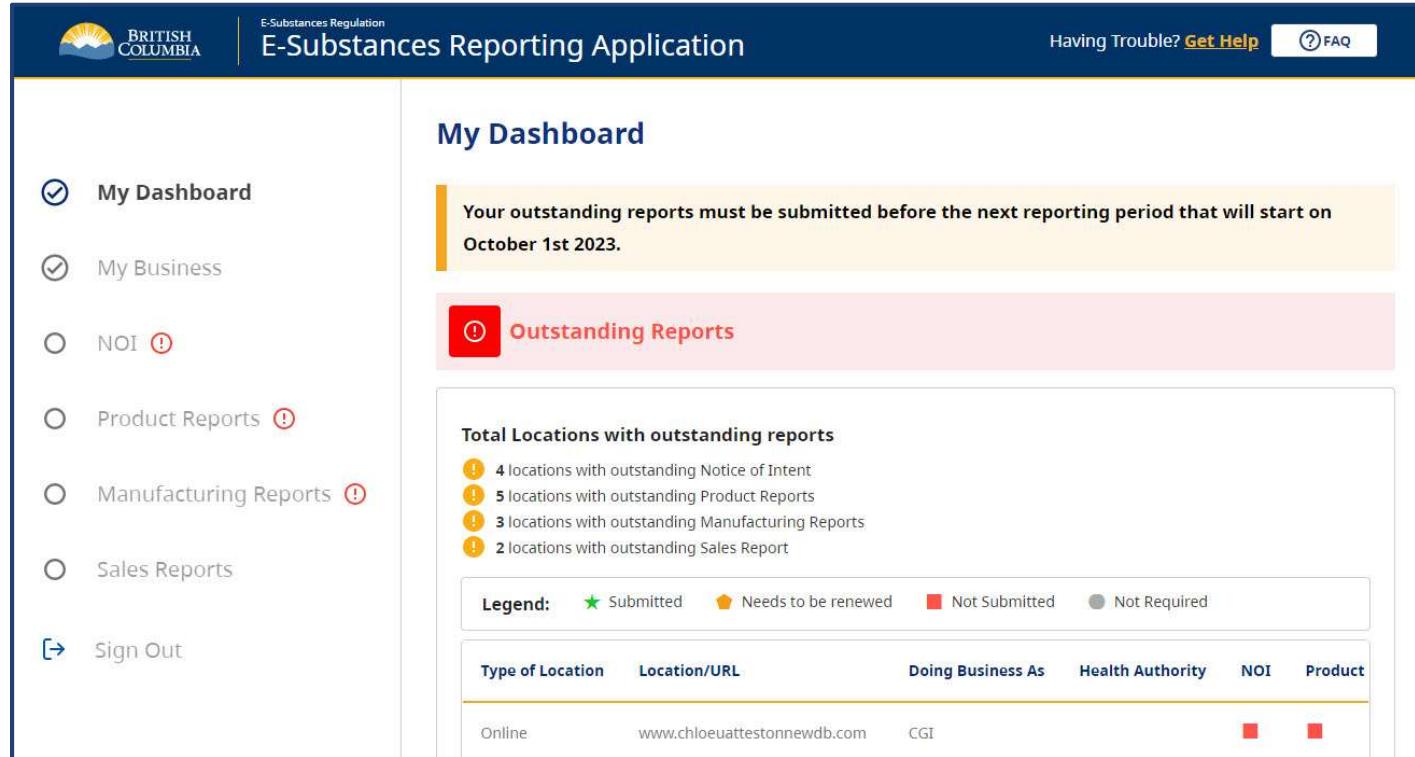

The screenshot shows an example of a file that no longer contains formatting features as it has been saved as a CSV file and this means that it is now ready to upload to the BCER.

My Dashboard

The Dashboard displays the status of the Notice of Intent, Product Report, Manufacturing Report, and Sales Report. Businesses are required to submit all these reports for **each** retail location.

-  The Manufacturing report is only required if the retailer has indicated that they were manufacturing products at one of their locations.

The screenshot shows the 'My Dashboard' page of the E-Substances Reporting Application. On the left, a sidebar lists navigation options: My Dashboard (selected), My Business, NOI (with a red exclamation mark), Product Reports (with a red exclamation mark), Manufacturing Reports (with a red exclamation mark), Sales Reports, and Sign Out. The main content area is titled 'My Dashboard' and includes a message: 'Your outstanding reports must be submitted before the next reporting period that will start on October 1st 2023.' Below this is a section titled 'Outstanding Reports' with a summary: 'Total Locations with outstanding reports' (4 locations with outstanding NOI, 5 with outstanding Product Reports, 3 with outstanding Manufacturing Reports, 2 with outstanding Sales Report). A legend indicates: ★ Submitted (green), 🚧 Needs to be renewed (orange), ■ Not Submitted (red), and ● Not Required (grey). A table at the bottom lists a single location: Type of Location (Online), Location/URL (www.chloueattestonnewdb.com), Doing Business As (CGI), Health Authority (None), NOI (red square), and Product (red square).

If the “Outstanding Reports” red banner is displayed, it means that you must submit at least one report for at least one of your locations and that you are not currently compliant with the legislation.

The Product Report will show as a green dot as soon as you submit at least one Product report for a given location. This does not mean that you no longer have to submit Product reports for that location. If you intend to sell new products you will need to continue submitting your new products for that location.

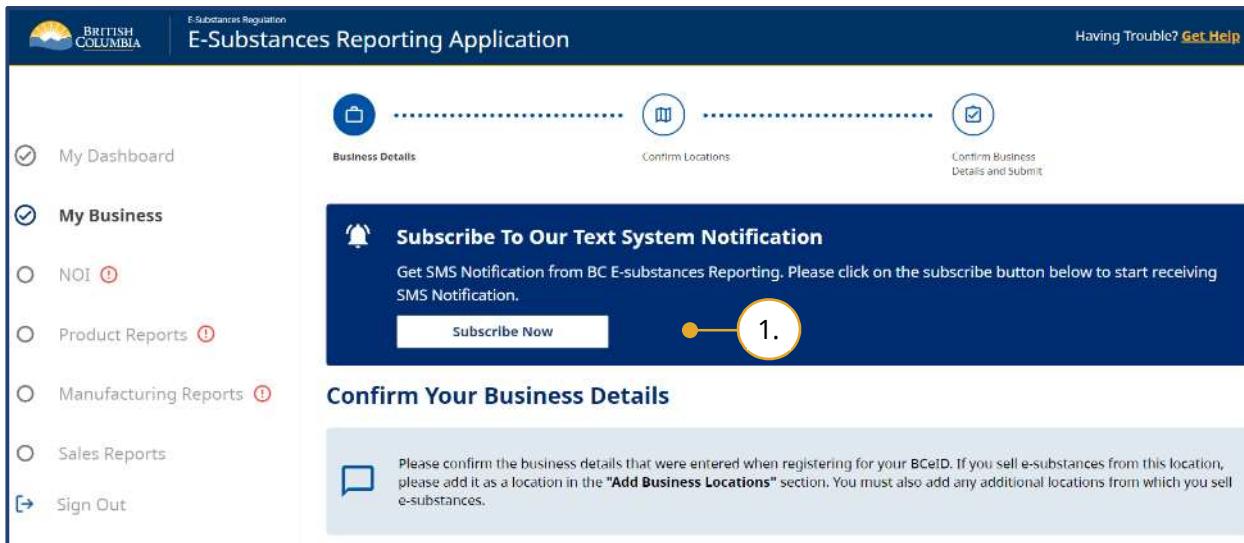

Having the “No Outstanding Report” banner should be your goal. If all the dots are green that means all your reports were submitted and you are currently not expected to submit anything (expect Product reports as mentioned above). Enforcement officers will be able to review your submissions and make sure that they respect the provincial legislation.

My Business

Businesses are required to submit reports for all retail locations. To support the submission of data for multiple locations, businesses may report on all locations under one business profile. Businesses have the option to upload a CSV list of all retail locations or manually enter the business locations.

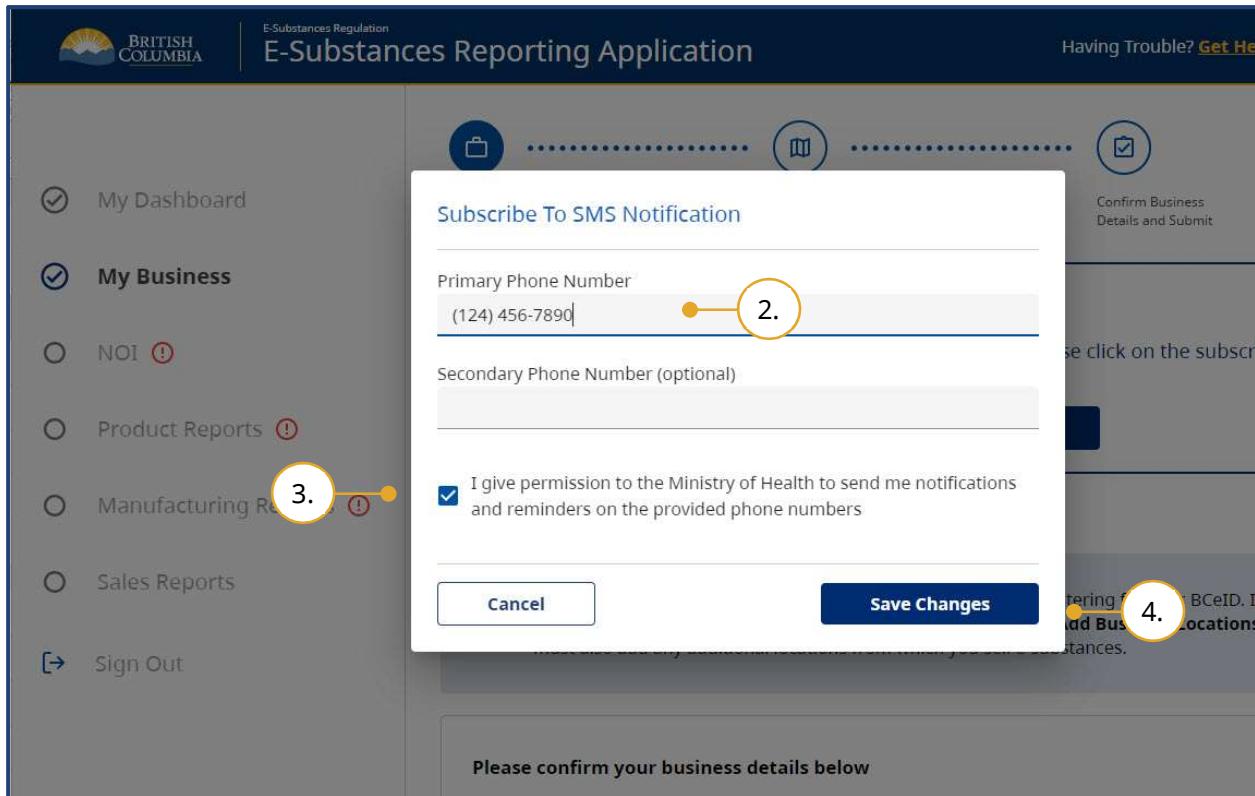

Subscribe to the Text System Notification

This feature allows you to subscribe to a Text Notification system. The Ministry of Health will send text messages to your registered numbers when the new reporting period is approaching and submissions are due.

The screenshot shows the 'E-Substances Reporting Application' interface. On the left, a sidebar menu includes 'My Dashboard', 'My Business' (which is selected and highlighted in blue), 'NOI', 'Product Reports', 'Manufacturing Reports', 'Sales Reports', and 'Sign Out'. At the top, there are three circular icons labeled 'Business Details', 'Confirm Locations', and 'Confirm Business Details and Submit'. A large central box is titled 'Subscribe To Our Text System Notification' with the sub-instruction 'Get SMS Notification from BC E-substances Reporting. Please click on the subscribe button below to start receiving SMS Notification.' Below this is a 'Subscribe Now' button. A yellow circle with the number '1.' is drawn around this button. At the bottom of the screen, a message box says: 'Please confirm the business details that were entered when registering for your BCeID. If you sell e-substances from this location, please add it as a location in the "Add Business Locations" section. You must also add any additional locations from which you sell e-substances.'

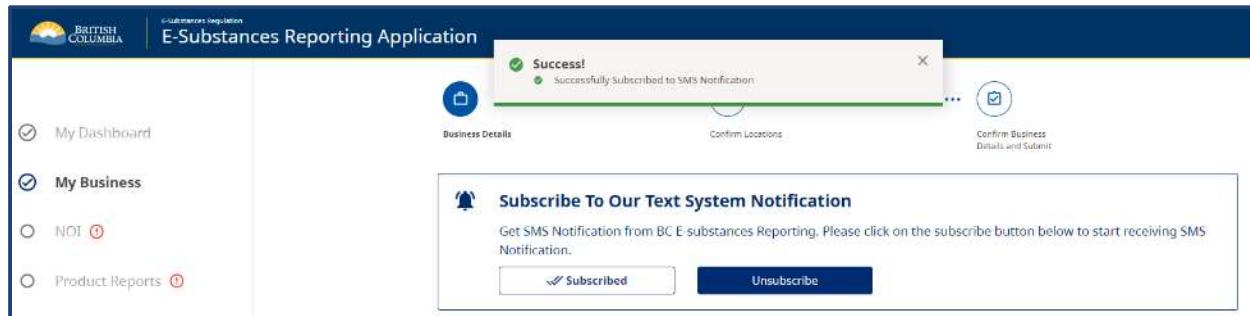

1. Click **Subscribe Now**.

The screenshot shows the E-Substances Reporting Application interface. On the left, there's a sidebar with navigation links: My Dashboard (selected), My Business (selected), NOI (with a red info icon), Product Reports (with a red info icon), Manufacturing Reports (with a red info icon selected), Sales Reports, and Sign Out. The main area has tabs for BCeID, Add Business Locations, and Substances. A central modal window titled "Subscribe To SMS Notification" is open. It contains fields for "Primary Phone Number" (124) 456-7890 (circled with number 2) and "Secondary Phone Number (optional)". Below these is a checkbox: "I give permission to the Ministry of Health to send me notifications and reminders on the provided phone numbers" (circled with number 3). At the bottom of the modal are "Cancel" and "Save Changes" buttons. In the background, a sidebar says "Please confirm your business details below".

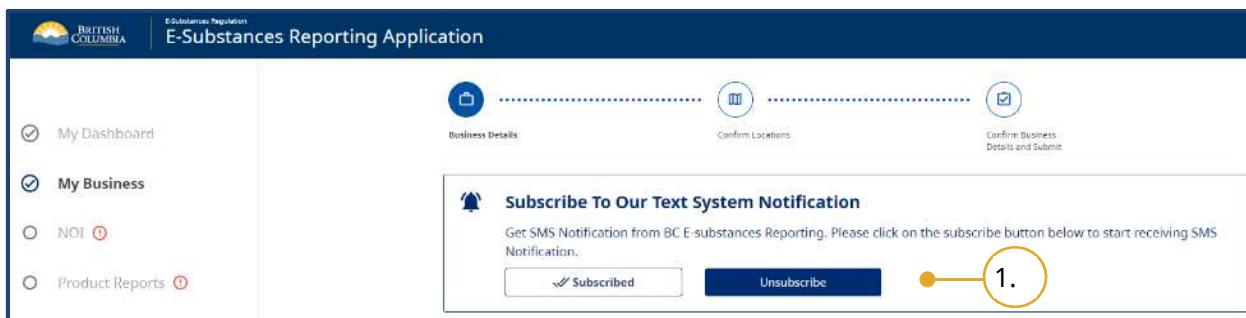

2. Add your Primary Phone Number.
 - a. *Optional.* Add a secondary Phone Number.
3. Select the **I give permission to the Ministry of Health to send me notifications and reminders on the provided phone numbers** checkbox.
4. Click **Save Changes**.

BC E-substances Reporting (BCER) User Guide

The “Successfully Subscribed to SMS Notification” message will display on the screen to inform you that you successfully subscribed to the text System Notification.

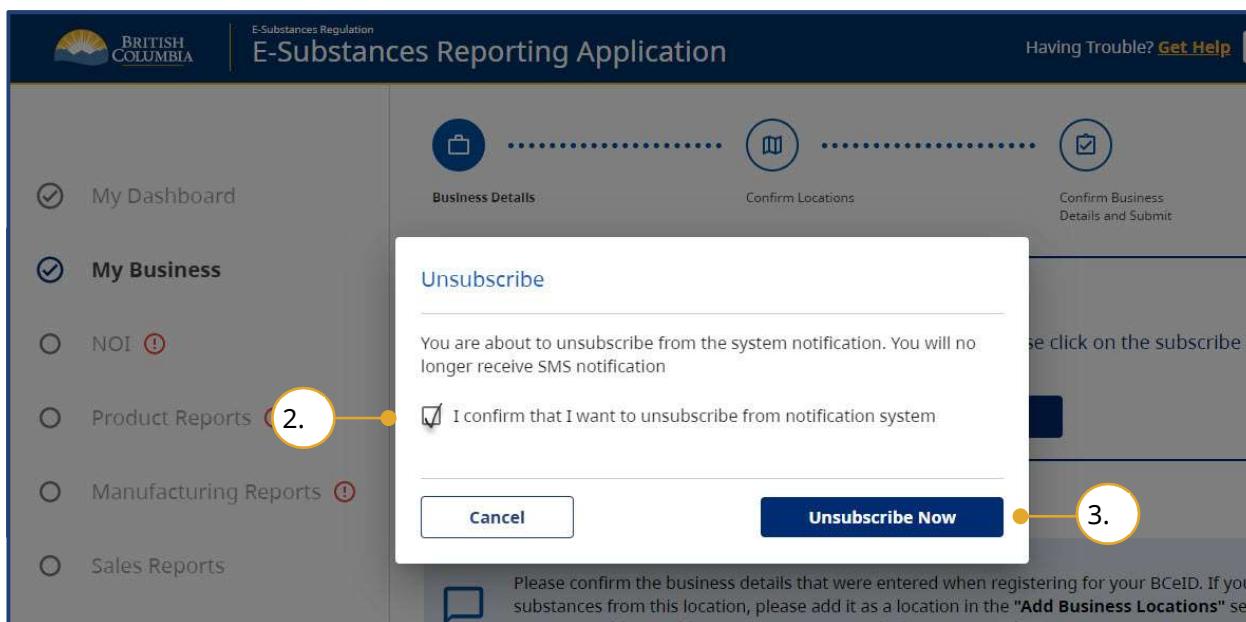

Unsubscribe from the Text System Notification

The screenshot shows the 'E-Substances Reporting Application' interface. On the left sidebar, 'My Business' is selected. In the center, there's a 'Subscribe To Our Text System Notification' section with a bell icon. It says: 'Get SMS Notification from BC E-substances Reporting. Please click on the subscribe button below to start receiving SMS Notification.' Below this are two buttons: 'Subscribed' (disabled) and 'Unsubscribe'. A yellow circle with the number '1.' is drawn around the 'Unsubscribe' button.

1. Click **Unsubscribe**.

A confirmation request message displays.

The screenshot shows the 'E-Substances Reporting Application' interface. On the left sidebar, 'My Business' is selected. In the center, a modal dialog titled 'Unsubscribe' contains the text: 'You are about to unsubscribe from the system notification. You will no longer receive SMS notification.' Below this is a checkbox labeled 'I confirm that I want to unsubscribe from notification system'. At the bottom of the dialog are 'Cancel' and 'Unsubscribe Now' buttons. A yellow circle with the number '2.' is drawn around the checkbox. A yellow circle with the number '3.' is drawn around the 'Unsubscribe Now' button.

2. Select the **I confirm that I want to unsubscribe from notification system** checkbox.
3. Click **Unsubscribe Now**.

The "Successfully Unsubscribed from SMS Notification" message will display on the screen to inform you that you successfully unsubscribed from the text System Notification.

Enter Business Details

Confirm Your Business Details

Please confirm the business details that were entered when registering for your BCeID. If you sell e-substances from this location, please add it as a location in the "Add Business Locations" section. You must also add any additional locations from which you sell e-substances.

Please confirm your business details below

Business legal name *

The business legal name must be less than 100 characters.

Name under which business is conducted *

The business name must be less than 100 characters.

Business address line 1 *

The address must be less than 100 characters.

Business address line 2

City *

The city must be less than 50 characters.

Postal code *

Postal code is a required field

Business phone number *

A phone number is required

Business email *

Email is a required field

Business web page

Enter the information for your business.

The database is designed to collect business contact details as well as details for each retail location (next step). Therefore, ensure that you provide information for your business and the **information for each retail premises, when adding locations.**

Add Business Locations

You are required to submit reports for all retail locations from which you sell e-substances.

Add Business Locations

Please provide all the business locations that have sales premises. If you are uploading a prefilled file, please ensure that you are using a CSV. The "**Confirm Your Business Details**" section must also be completed to proceed.

- Upload Business Physical Location List File**
Upload a prefilled physical location list file from your device.
[Download Business physical location CSV template](#)

1.

- Add Business Locations Manually**
Fill in the form with business location details.

2.

Next

All businesses must add at least one location into the application.

If the address identified in the Business Details section is the same address for a retail premises, it must still be added as a location.

You have two options for adding locations to your business:

1. Upload a CSV file of all locations.
2. Add locations manually.

Upload Business Location List File

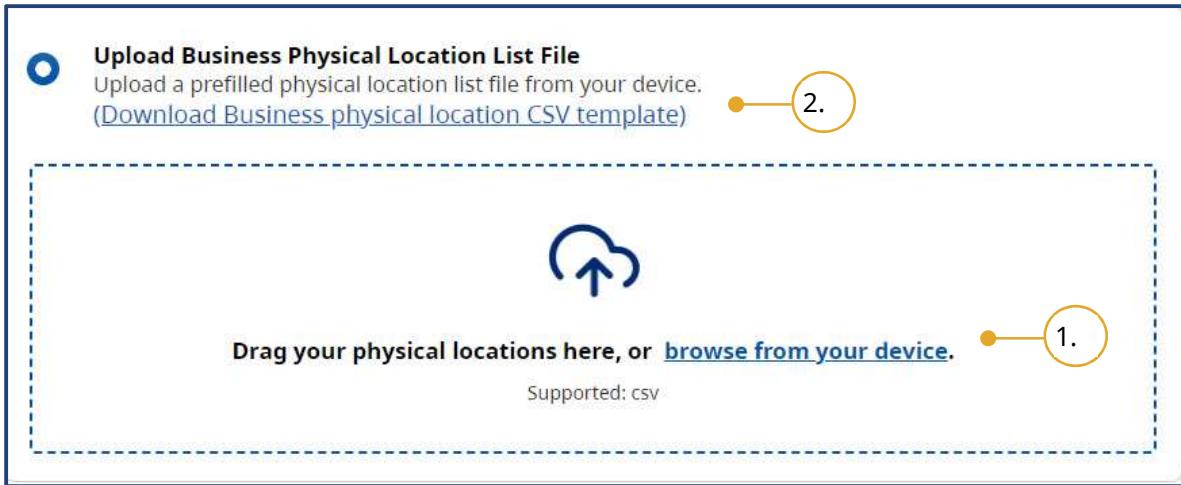

Upload Business Physical Location List File
Upload a prefilled physical location list file from your device.
([Download Business physical location CSV template](#))

2.

Drag your physical locations here, or [browse from your device](#).

1.

Supported: csv

1. Upload a CSV file:
 - a. Drag and drop the CSV file from your computer into the data upload section.
 - b. Retailers can also select **browse from your device**.
2. Business owners may use their own CSV file if it contains the correct headers or download the CSV template created by the Ministry of Health for retailers to use.

Map CSV Headers

The BCER uses Header Mapping to match required headings in the BCER headers to fields in a CSV file. This allows retailers to use their own templates or templates provided by manufacturers for uploading required reports.

Map Your Provided CSV Headers

Required field in our system	Field from your CSV file
Business Address	Address
Postal Code	Postal Code
City	City

3. After uploading your file, you must map the **Required field in our system** (left) to the **Field from your CSV file** (right).

If you are using your own template, the title of each header may not be identical.

Retail location health authority region

The name this location is doing business as

Do you manufacture E-substances on premises?

Health Authority

Doing Business As

Manufacturing

Cancel 4. **Map Headers**

- Once you have mapped all headers , click **Map Headers**.

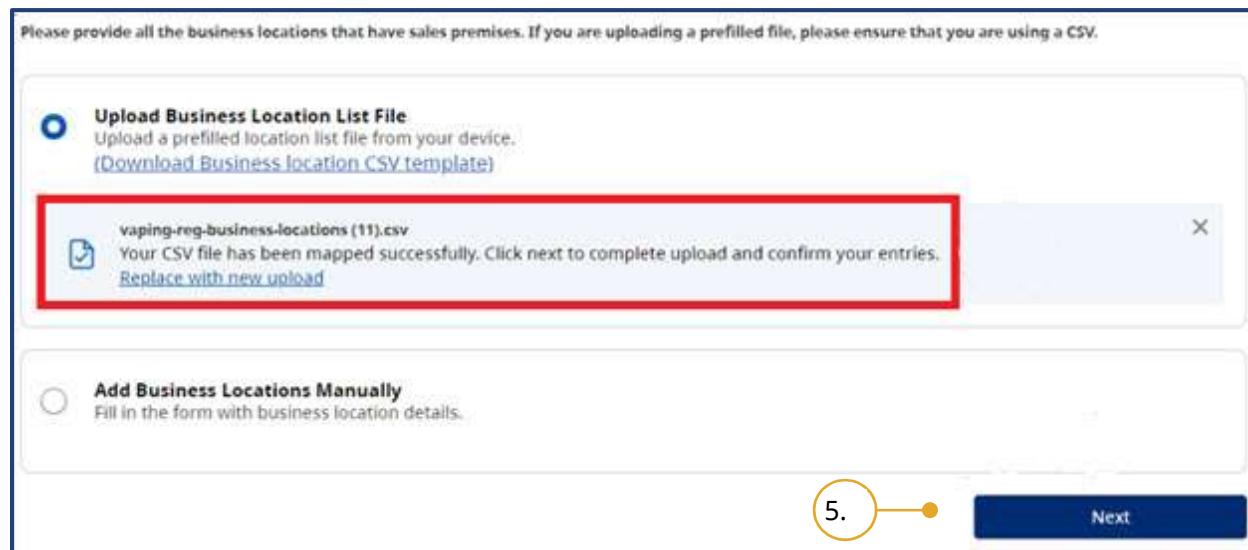

Please provide all the business locations that have sales premises. If you are uploading a prefilled file, please ensure that you are using a CSV.

Upload Business Location List File
Upload a prefilled location list file from your device.
([Download Business location CSV template](#))

vaping-reg-business-locations (11).csv
Your CSV file has been mapped successfully. Click next to complete upload and confirm your entries.
[Replace with new upload](#)

Add Business Locations Manually
Fill in the form with business location details.

5. **Next**

You will receive a message that "Your CSV Files has been mapped successfully."

- Click **Next**.

Confirm Business Locations

Once you have successfully uploaded your CSV, you will be asked to confirm your list of business locations.

Confirm New Business Locations

Confirm the details of the business locations that you have added on the previous page. You will be able to update this information at any time. Upon completion of this section you will be able to complete a Notice of Intent to sell E-substances and submit Product and Manufacturing Reports for each location you have listed.

Please confirm your business locations. Ensure that all locations have been entered correctly as they are required when submitting reports and your notice of intent to sell e-substances.

Business Locations
You have 4 retail locations.

1. 

2. 

[!\[\]\(d71cd99c7b04b6820465b55a7f49227d_img.jpg\) Add Location](#)

[Next](#)

1. Select **Add Business Locations Manually**.

2. Click **Add Location**.

The following screen displays for you to enter the location information.

The screenshot shows a web-based form titled "Add Business Location". The form includes the following fields:

- Please state your type of location:** A radio button group where "Physical" is selected, while "Online" and "Online and Physical" are unselected.
- Address of sales premises from which restricted e-substance sold:** A search bar labeled "Business address line 1 *".
- Business Contact Info of sales premises from which restricted e-substance sold:** Fields for "Business Email *", "Business Phone Number *", "City *", and "Postal Code *".
- The name this location is doing business as:** A text input field.
- Please state if persons under 19 years of age are permitted on the sales premises:** A radio button group with options "Yes", "No", and "Other".
- Which regional health authority is the sales premises located in?** A dropdown menu labeled "Health Authority *".
- Do you produce, formulate, package, repackaging or prepare restricted e-substances for sale from this sales premises?** A radio button group with options "Yes" and "No".

At the bottom right of the form are "Cancel" and "Submit" buttons. A yellow circle with the number "3." is placed over the "Business Phone Number" field, "4." over the "Other" radio button, and "5." over the "Submit" button.

- Fill in all required fields. The Address will autocomplete as you type. The application may take a few seconds to find your address and will then display suggestions, select the correct one.

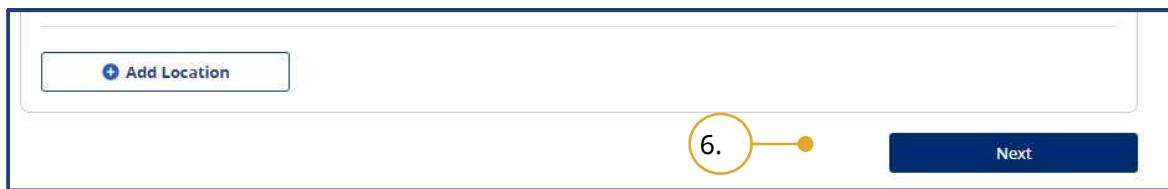

Once selected, the City and Health Authority fields will be automatically completed.

- When completing the question: select **Other** if your business has a separate section that is age-restricted.

- When all fields are complete, click **Submit**.

If you missed a required field, you will be prompted to complete the field.

Repeat these steps for all locations that you would like to add manually.

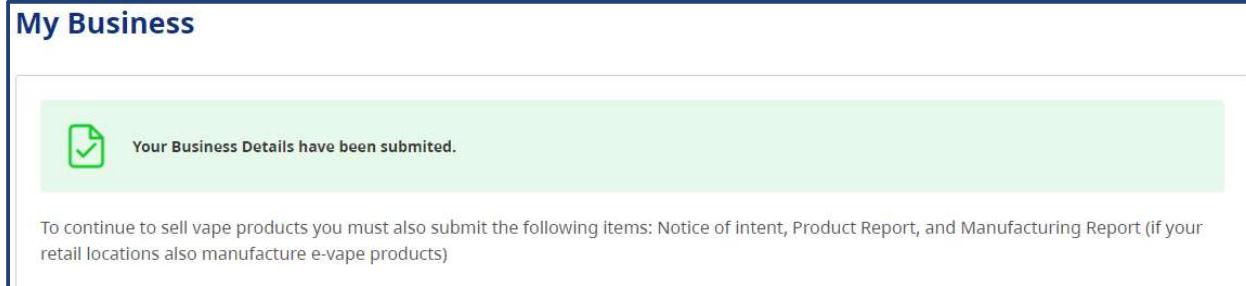

A screenshot of a web application interface. At the top left is a button labeled '+ Add Location'. In the center, a circular progress indicator shows the number '6.' with a yellow dot connected by a line to a dark blue rectangular button labeled 'Next' at the bottom right.

- Once you have submitted all locations manually, click **Next**.

Once all the locations are added manually, you will be asked to confirm the list of business locations.

If you forgot to add a location, repeat the steps above and click **Add Location**.

A screenshot of a web application interface titled 'My Business'. A green success message box contains the text 'Your Business Details have been submitted.' with a checkmark icon. Below the message, a note states: 'To continue to sell vape products you must also submit the following items: Notice of intent, Product Report, and Manufacturing Report (if your retail locations also manufacture e-vape products)'.

Once your location information has been submitted, you will receive a "Your Business Details have been submitted." message.

You can then proceed to submit your Notice of Intent, Product Report, and Manufacturing Report.

Multiple Contact Update

You can update contact details for multiple locations at the same time. This is useful if you manage multiple locations and all of them share the same contact person details.

Existing Business Locations

Notice of Intent to Sell E-Substances

Business owners must notify the Ministry of Health of their intent to sell restricted e-substances by submitting a Notice of Intent to Sell E-Substances to the Ministry of Health at least six weeks before their first sale. The **Notice of Intent to Sell E-Substances** is required for each separate sales premises for your business and for the sale of non-therapeutic nicotine e-substances. Business owners are required to submit the following information:

- Legal name of business
- Name under which business is conducted
- Address of sales premises from which restricted e-substances are sold
- Phone number for sales premises
- Email address for sales premises
- Webpage for sales premises (if applicable)
- If persons under 19 years of age are permitted on the sales premises
- Health Authority in which the retail location is located

The Notice of Intent must be submitted prior to January 15 of each year that a retailer intends to continue sales.

NOTE: Business owners that fail to submit their Notice of Intent and that fail to comply with the new reporting requirements may be subject to offences under the *Public Health Act*.

Only after you have entered your business information and added locations, will you be able to submit or renew your Notice of Intent (NOI).

Renew a Notice of Intent

Every year, you must renew your Notice of Intent to sell vaping products for each of your locations. Follow the same process detailed above.

Product Reports

As a business owner who intends to sell e-substances in British Columbia, you are required to provide product reports for each restricted e-substance you intend to sell. Product Reports must be submitted at least six weeks prior to selling a restricted e-substance.

A Product Report must include the following information for each e-substance that will be sold from the sales premises:

- Name and contact information of the manufacturer
- Brand name and product name
- Type of product
- Concentration of nicotine (in mg/mL)
- Capacity (in mLs) of either the refillable container, or the tank/cartridge to hold the e-substance
- List of all the ingredients in an e-substance (both the common and scientific names unless one of these names is not available from the manufacturer)

If any of the above information changes for a specific e-substance, the business owner must report this change to the Ministry within seven days of selling the changed product.

You can only access the Product Reports section of the database after you have submitted a Notice of Intent.

Submit Product Report

The screenshot shows the 'E-Substances Reporting Application' interface. On the left, a sidebar lists navigation options: My Dashboard, My Business, NOI, Product Reports (which has a red notification dot), Manufacturing Reports, and Sales Reports. The 'Product Reports' option is highlighted with a yellow circle and the number '1.'. The main content area is titled 'Product Report'. It contains a message: 'You have outstanding product reports that need to be submitted. You need to submit product reports for all locations listed in the "Locations without Product Reports" section of this page. Click the "Submit Product Report" button to begin your submission.' Below this is a list of required information: Product Type (100 characters limit), Brand Name (40 characters limit), Product Name (100 characters limit), Manufacturer Name (50 characters limit), Manufacturer Contact Person (Optional, 50 characters limit), Manufacturer Address (160 characters limit), and Manufacturer Phone /Extension should be written as follow XXXXX-XXXX-XXXX. The 'Submit Product Report' button is highlighted with a yellow circle and the number '2.'

1. Select Product Reports.

2. Select Submit Product Report.

The process is the same for submitting your initial Product Report and any subsequent reports.

Add/Upload File

You are required to submit a Product Report for all locations that you have added. You may choose to submit the same product report for multiple locations, if applicable. If you are adding new products to your product list, **only upload the new products**. Do not re-upload your entire product list as this will create a duplicate of all existing entries.

Upload Product List File

If you already have an existing file, you can upload here and then match the headers to the report requirements.
[\(Download Product Report CSV template\)](#)

6.a

Add from existing location

Reuse a product report that you have previously submitted from an existing retail location

6.b

6. When submitting Product Reports, you can:
 - a. Upload a CSV file.
 - b. Add products from an existing location if you previously submitted a Product Report for another location.

Upload a Product Report File

 **Upload Product List File** 

If you already have an existing file, you can upload here and then match the headers to the report requirements.
[\(Download Product Report CSV template\)](#)

1. Upload file from your device.

Drop your product report here, or [browse from your device](#). 

Supported: csv

1. Select **Upload Product List File**.
2. Upload a file:
 - a. Drag and drop the CSV file from your computer to the box.
 - b. Click **browse from your device**, which will open the file viewer from your computer.

The Product Report CSV template provided by the Ministry of Health provides retailers with a sample of the required criteria for submitting a product report. You can download the template and use it for submitting product reports.

 All files must be uploaded as a CSV file (see *Converting Files to CSVs*). Uploading a file that has not been saved as a CSV will result in an error.

Note: When submitting new products that you intend to sell, YOU MUST ONLY SUBMIT THE NEW PRODUCTS THAT HAVE BEEN ADDED. If you resubmit your entire product report, each product will show up twice on your product list and will impact your Sales Report.

Header Mapping

Once a Product Report CSV has been uploaded, you must map the headers from your CSV to the headers contained in the database if you have additional information in your CSV file.

Map Your Provided CSV Headers

Required field in our system	Field from your CSV file
Type of Product	Please Select
Brand Name	Please Select
Product Name	Please Select
Manufacturer's Name	Please Select
Manufacturer Contact Person (Optional)	Please Select
Manufacturer's Address	Please Select

3. After uploading your report, you must map the **Required field in our system** (left) to the **Field from your CSV file** (right).

If you are using your own template, the title of each header may not be identical.

Manufacturing Reports

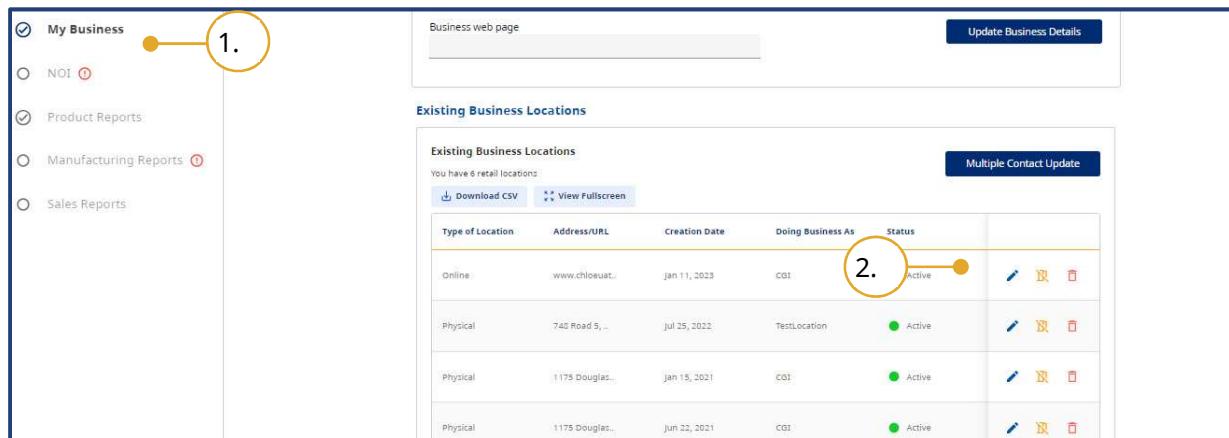

As a business owner, if a retailer formulates, packages, re-packages, or prepares restricted e-substances for sale at your sales premises, you are required to provide information about those e-substances. Manufacturing Reports must be submitted at least six weeks prior to selling the e-substance at the retail location.

A Manufacturing Report must include the following information for each e-substance that will be sold from the sales premises:

- Name and contact information of the manufacturer of each ingredient
- Both the common and scientific names of each ingredient, unless one of these names is not available from the manufacturer

If your business manufactures e-substances for sale at your sales premises, then you are required to submit Manufacturing Reports for those products. This section will provide details on the process for submitting a Manufacturing Report for your products.

Submit Manufacturing Reports

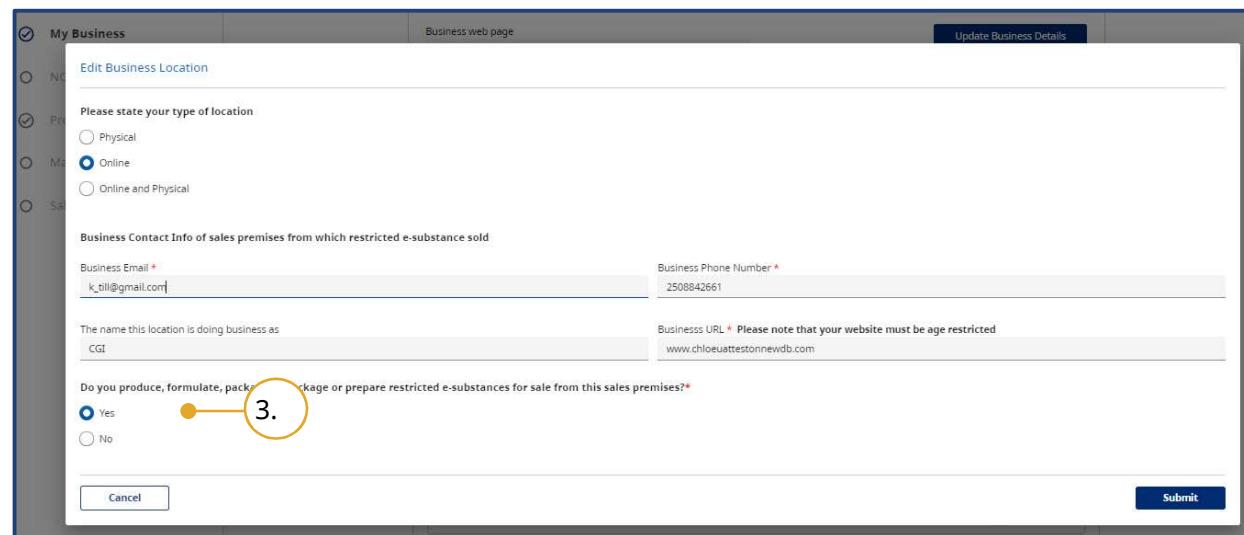

Business web page Update Business Details

Existing Business Locations

10. Retailers can review their submissions in the Manufacturing Reports section of the BCER by viewing the **Manufacturing List** table.

Delete a Manufacturing Report

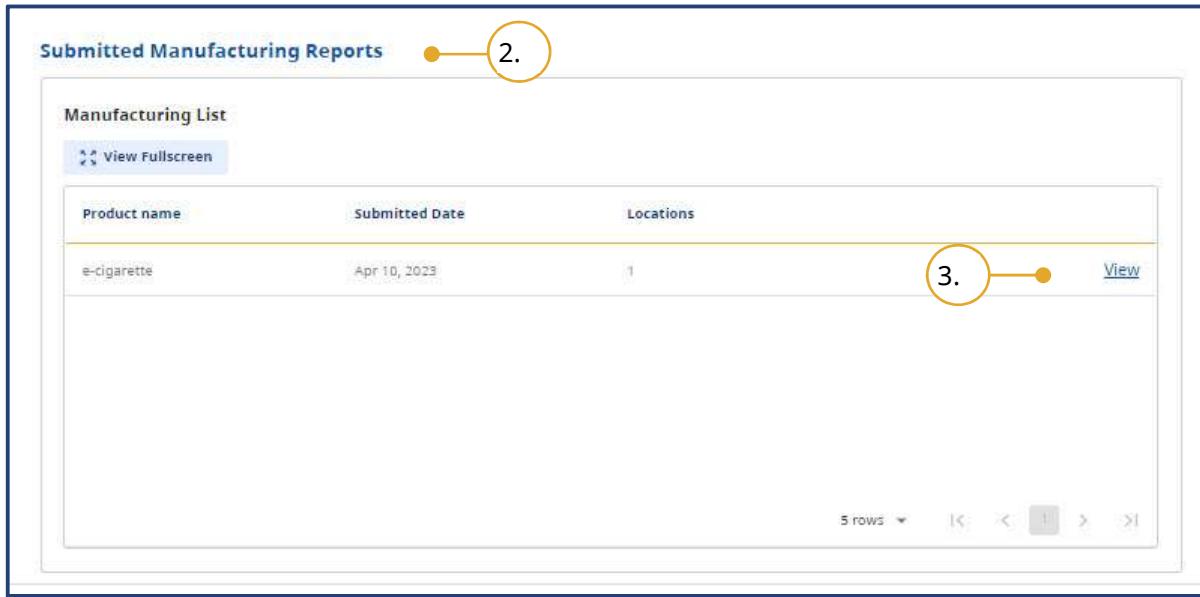

Retailers can delete a manufacturing report if it was submitted in error. The purpose of this section is to reduce the number of duplicates that are submitted into the application.

- i** The purpose of this section is NOT to manage your manufacturing lists, but rather to correct anything that may have been submitted in error.

The screenshot shows the 'Manufacturing Report' page. On the left, there's a sidebar with navigation links: My Dashboard, My Business, NOI (with a red dot), Product Reports, Manufacturing Reports (with a red dot), and Sales Reports. A yellow circle with the number '1.' is placed over the 'Manufacturing Reports' link. The main content area has a heading 'Manufacturing Report' and a 'Submit Manufacturing Report' button. It contains two warning messages: one about outstanding reports needing submission and another about specifying manufacturing locations. Below these is a 'Back to My Business' button. The main text area explains the requirements for manufacturing reports, listing: Ingredient name, Ingredient scientific name, Manufacturer's name, Manufacturer's address, Manufacturer's phone number, and Manufacturer's email address. It also states that changes must be reported within 7 days.

1. To review your previously submitted Manufacturing Reports, click **Manufacturing Reports**.

The screenshot shows a table titled "Submitted Manufacturing Reports". The table has three columns: "Product name", "Submitted Date", and "Locations". There is one row visible, showing "e-cigarette" as the product name, "Apr 10, 2023" as the submitted date, and "1" as the number of locations. A "View" link is located at the end of the row. Two numbered callouts point to the "Submitted Manufacturing Reports" title (2.) and the "View" link (3.).

Product name	Submitted Date	Locations
e-cigarette	Apr 10, 2023	1

View

2. On the manufacturing reporting screen, scroll down to the **Submitted Manufacturing Reports** table. This table shows all your previous product report submissions.
3. Click **View** for the report you want to review.

The Manufacturing Report is no longer in your Manufacturing List.

Sales Reports

Prior to January 15th of each year, business owners must report the vapour product sales that have occurred during a specified reporting period. For each type of vapour product sold, a business owner must report:

- Number of containers and cartridges sold, grouped by brand name and product name
- Volume (in mLs) of restricted e-substance in the product
- Flavour, if the e-substance in the product is flavoured

Sales data must be submitted annually, based on data collected during the reporting period of **October 1st** of the previous year **to September 30th** of the current year. For example, from October 1, 2022 to September 30, 2023. The due date for submitting Sales Reports is January 15th of every year.

1. When you are ready to submit your sales report, click the **Sales Report** option of the database.

The BCER requires retailers to upload a CSV file for each business location. All sales for a specific location must be uploaded in one CSV file. Once a report has been submitted, retailers may submit a new report for that location if the intent is to fix an error as **the new report will replace the previously submitted report for that location**.

Sales Report Template

Businesses are required to upload a CSV file of their sales report for each location and must include a line item for each product they have sold during the reporting period.

The Tobacco and Vapour Products Control Program has developed the following CSV template that businesses can use to support their sales report submissions. This file can be downloaded from the system.

The CSV template distinguishes between containers (which are restricted to a maximum of 30 mLs) and cartridges (which are restricted to a maximum of 2 mLs). If an e-substance is only sold in either a container or cartridge, the retailer may leave the other column blank.

The UPC column is optional for businesses.

If a retailer chooses to use their own CSV file, they must ensure that the following headers are included:

- Brand name
- Product name
- Nicotine Concentration (*optional*)
- Cartridge capacity
- Container capacity
- Flavour
- UPC code (*optional*)
- Number of containers
- Number of cartridges sold

Submit Sales Report

Sales Reports

As a vapour product retailer, you must submit a Sales Report for location(s) that you have listed. You must submit 1 Sales Report per location by uploading a CSV file. To submit a Sales Report, click on the "Select" button in the table below for the location that you would like to submit. The deadline to submit your Sales Reports is January 15, 2023, for the reporting period of October 1, 2021 – September 30, 2022.

Frequently Asked Questions (FAQ)

The **FAQ** button is located at the top-right of the screen and is accessible from every page.

The screenshot shows the 'Frequently Asked Questions' section of the BCER User Guide. At the top right, there are links for 'Having Trouble? Get Help' and a 'FAQ' button. Below this, the title 'Frequently Asked Questions' is displayed. A search bar with a magnifying glass icon and the word 'Search' is positioned above a list of questions. Two specific items in the list are circled with yellow circles: the first question ('I forgot my BCeID login for my account. Can I send an email for you to reset it?') is labeled '1.', and the second question ('Can I add...') is labeled '2.'. The list contains ten questions in total, each with a small blue triangle icon to its left.

1. Filter the list of questions by searching using keywords or a question.
2. Clicking the question will open the answer below it.

Appendix 1: Support

For technical support in submitting your Notice of Intent, Product Report, Manufacturing Report, or Sales Report, send an email to: vaping.info@gov.bc.ca.
